Built for clean refreshment

ACE is a low-sugar aloe drink with real aloe gel and simple, visible ingredients.

Real aloe gel

Visible aloe vera gel pieces in every bottle. No aloe powder shortcuts.

Low sugar profile

Sweetened with natural honey and stevia to keep every sip light.

Retail friendly

Available in 500ml and 1.5L bottles for immediate consumption and take home.

Key product facts

Original — 77 cal per 240ml serving

- **Pack 500ml × 20**
- **Pack 1.5L × 12**
- **Origin: Busan, KR**

A short ingredient list, on purpose.

No high-fructose syrups. No aloe powder shortcuts. The ingredients on the label are doing the work.

Natural Honey

Real honey for clean, mellow sweetness — never refined or corn-syrup-based.

Stevia

A natural, plant-based sweetener that keeps every serving low in sugar.

8% Real Aloe Gel

Whole aloe vera gel with visible pieces in every bottle. No aloe powder.

Hydrates from the inside out.

Aloe Vera contains over 75 active components, including a broad range of vitamins that functions as antioxidants which also promotes skin and hair health.

Three flavors. Real aloe gel in bottle.

Each flavor keeps the aloe gel texture and low-sugar positioning while giving shoppers a clear choice.

Original

77 cal •
500ml

Clean, faintly sweet, with bite-sized aloe gel pieces.

Pomegranate

71 cal •
500ml

Tart, ruby, and surprisingly dry. Aloe gel keeps it grounded.

Mango

71 cal •
500ml

Ripe Alphonso character, with vitamin C and the same low-sugar profile.

Three flavors. Real aloe gel in bottle.

Each flavor keeps the aloe gel texture and low-sugar positioning while giving shoppers a clear choice.

Original

231 cal • 1.5L

Clean, faintly sweet, with bite-sized aloe gel pieces.

Pomegranate

213 cal • 1.5L

Tart, ruby, and surprisingly dry. Aloe gel keeps it grounded.

Mango

213 cal • 1.5L

Ripe Alphonso character, with vitamin C and the same low-sugar profile.
